**Date:** 2022, November 21 10:48:01 AM

---

Good morning,

On November 21 BC Hydro will be burning debris in the following Site C project areas:

- Halfway River drainage
- Southbank of the Peace River between the Halfway River and Cache Creek

Burning activities will follow the [Site C Smoke Management Plan](#) and will only take place during custom venting windows authorized under provincial regulations, specific to Site C. Please visit [our website](#) to learn more.

**Sign up for regular burning notifications.** Email [sitec@bchydro.com](mailto:sitec@bchydro.com) if you'd like to be put on a mailing list.

Kind regards,  
Site C Project Team
