Date: 2023, April 20 2:32:08 PM

Hello Old Fort neighbors,

The construction group that performed the Old Fort Road drainage upgrade by the chain-off area last season will be hydro-seeding the area tomorrow, Friday, April 21.

They will have traffic control in place from 8:00 a.m. to 5:00 p.m., or as needed.

Thank you for your patience while we complete this work.

Regards,
